Multi-Sectoral Approaches for Management of Sexual and Gender-Based Violence (SGBV)

Course Objectives

On completion the course should enable participants to:

- Guide policy makers, stakeholders and service providers in developing or strengthening the existing programmes or initiatives that address SGBV
- Ensure and facilitate the access to support services for SGBV victims/survivors.
- Integrate and mainstream intervention throughout all programmes by using agreed inter-institutional working rules and tools.
- Ensure accountability at all levels and all involved institutions.
- Ensure coordinated actions for addressing to and prevention of SGBV.
- Ensure more accurate data regarding the SGBV cases and the intervention and referral history
